So...

Youve given it all you can  
And your life is in the garbage can  
And you say youre tired and dry  
Cuz your mind wont let you cry  
So you hang up what is left inside  
And you want to kiss it all goodbye

Youre lost in space, youre swirling ever higher  
Youre lost on your own, youre too far from home  
Youre no ones friend, you gave it your best try yeah!  
Youre stuck in the drone, of being alone.

You turn to light, but all you get is darkness  
Your head turns to stone, your numbness has grown  
Youre stuck inside your little world of rejects  
The good world unknown, youre stuck in the drone.
