Damn you're good,  
Made me believe  
Your textbook motivation  
Was it boredom or conceit?  
It wasn't supposed to burn  
Do you believe those words?

Sleep it off, find another  
Avoid yourself and don't discover  
What you did to me  
What you did to me

All the times I thought this was worth saving  
All the times I thought you wouldn't play me  
You were damaged goods like they said you were

Little hard core girl  
You used to dance to swing  
Now you got pierced and  
Wanna crash my scene?  
I
