Tall rock shelf, are you maybe here to help me hurt
myself?
Miasma Sky would you swallow me alive?
Tall rock shelf, are you maybe here to help me hurt
myself?
Miasma Sky would you swallow me alive
Loud now, now in the dark of the ta da da dda tum tum
ta da da dda tum tum
ta da da dda tum tum
Yeah, yeah
ta da da dda tum tum
yeah you ta da da dda tum tum

Tall rock shelf, are you maybe here to help me hurt
myself?
Miasma Sky would you swallow me alive
Realize there is very little you can do for me
Tall rock shelf, are you maybe here to help me hurt
myself?
Miasma Sky would you swallow me alive

Tall rock shelf, are you maybe here to help me hurt
myself?
Miasma Sky would you swallow me alive
Realize there is very little you can do for me
Tall rock shelf, are you maybe here to help me hurt
myself?
Miasma Sky would you swallow me alive
