[Verse 1]

Now every, club promoter wanna bid like auctions,
Cause we pack shows, Cel-tic's like Boston.
You see me in the lobby takin pictures I'm flossin,
After every pic, gotta fix my corset.
I am runnin this shit, I am so exhausted.
Batter up bitches, but approach with caution.
You be talkin slick, and honestly I can see why,
You don't know me and I ain't talkin bout T.I.
Just when they thought I was done for the winter,
I came out stuntin, I'm such a big spender,
I two at everythang, but no I'm not a Gemini,
My life's a movie take me to the cinema.
Take me out to the ballgame,
Cause u know I only fucks with ballers,
Them is the type of niggas shot callers,
I been a-round the world, I'm such a bad, bad girl,
I got that Austin Powers flow, I'm groovy bitches,
And no, your no match for my ooze bitches,
I dumb my raps down, so I don't lose these bitches,
Say some sex shit, like wetter than jacuzzi bitches.

[Chorus] [Nicki Minaj singing]

Been around the world, I still can't find,
Another girl that can steal my shine.
I've had my highs, I've had my lows,
But you can't tell me that I am not the baddest bitch!

[Nicki Minaj talking]

I'm the baddest bitch,
The mistress, I'm the baddest bitch
I'm the baddest bitch,
Tri-Tri-Trick please, I'm the baddest bitch.

[Verse 2]

Half a bar just to laugh at him,
High school if he ball throw my math at em,
And if he want some pussy that's a no-no.
I only fucks with bad bitches, no homo.
Flow sicker than LL
Chinese and them things go pow-pow,
Word to me, all them girls better bow down,
Nicki Minaj, I'm the talk of the town now.

[Chrous]

Baddest,the baddest,
My pussies the fattest,
I'm bad,
Bad,
bart bart
