[ Verse 1 ]

She said fuck Fendi but I think she was playin'  
I heard she do them thangs  
I think she fuckin Wayne  
She call herself Louinsky that means she give him  
brains  
She tryna be like Lil Kim her picture looks the same  
Why aint sign with G-Unit, she from Queens right?  
And what's her nationality, she's Chinese right?  
I mean she okay, but she ain't all that  
She ain't the next bitch tell that bitch fall back  
See imma hater i go hard, listen lets begin  
you know her last name Minaj she a lesbian  
And she ain't never coming out,they could come and  
see that every time she do an interview you know I run  
and see  
She get me so sick it make me vomit  
That's why I spend my time online leaving comments  
And you know I got some more haters with me  
Might hit up thisis50  
MTV hit up BET tell them "pretty pretty please, don't  
play Nikki"

[ Chorus ]

Still I rise, Still I fight, Still I might crack a smile  
Keep my eyes on the prize, see my haters tell 'em hi  
One day you'll remember this  
One day when we reminisce  
Nothing I do ever is,  
good enough for the music bizz  
Still I rise, Still I fight, Still I might crack a smile  
Keep my eyes on the prize, see my haters tell 'em hi  
One day you'll remember this  
One day when we reminisces  
Nothing I do ever is,  
good enough for the music bizz  
[Nothing I ever do is good for you]

[ Verse 2 ]

Bitches is like crabs in a bucket,

you see a bad bitch gettin' shine you should love it  
'Cause every time a door open for me that means you,  
just got a better opportunity to do you  
They don't understand these labels, look at numbers  
and statistics  
I lose you lose, mine is just logistics  
Anyway, real bitches listen when i'm speaking,  
cause if Nikki win, then all ya'll gettin' meetings  
Ask L.A Reid, ask Jay  
Then hit up Universal see what Silvia Ron say  
Ask Grey Colmen you can ask Chris  
Lady when your done just salute a bad bitch  
Only underground bitch around thats duckin' the  
papparazi  
in and out of town be swervin' in maserati  
stayin round the white like a Nazi  
cause they pussy pu-pu-pu poppin'on the cock so the  
cops see  
bitches

[ Chorus ]

Still I rise, Still I fight, Still I might crack a smile  
Keep my eyes on the prize, see my haters tell 'em hi  
One day you'll remember this  
One day when we reminisce  
Nothing I do ever is,  
good enough for the music bizz  
Still I rise, Still I fight, Still I might crack a smile  
Keep my eyes on the prize, see my haters tell 'em hi  
One day you'll remember this  
One day when we reminisces  
Nothing I do ever is,  
good enough for the music bizz
