It's Raining Men ringtone on your mobile phone
Humidity's risin'
Barometer's getting low
According to all sources
The street's the place to go

'Cause tonight for the first time
Just about half past ten
For the first time in history
It's gonna start raining men

It's raining men - Hallelulah
It's raining men - Amen
It's raining men - Hallelulah
It's raining men - Amen

Humidity's risin'
Barometer's getting low
According to all sources
The street's the place to go

'Cause tonight for the first time
Just about half past ten
For the first time in history
It's gonna start raining men

It's raining men - Hallelulah
It's raining men - Amen
I'm gonna go out, I'm gonna let myself get
Absolutley soaking wet

It's rainin men - Hallelulah
It's rainin men - Every specimen
Tall, blonde, dark and mean
Rough and tough and strong and lean

God bless Mother Nature
She's a single woman too
She took over heaven
And she did what she had to do

She taught every Angel
To rearrange the sky
So that each and every woman
Could find the perfect guy

It's raining men

I feel stormy weather moving in
About to begin (about to begin)
Hear the thunder, don't you lose your head
Rip off the roof and stay in bed

It's raining men - Hallelulah
It's raining men - Amen
It's raining men - Hallelulah
It's raining men - Amen

It's raining men - Hallelulah
It's raining men - Amen
It's raining men - Hallelulah
It's raining men - Amen

It's raining men
