Ooooooh

Mmmh

I'm thinking of you
In my sleepless solitude tonight
If it's wrong to love you
Then my heart just won't let me be right
'Cause I've drowned in you
And I won't pull through
Without you by my side

I'd give my all to have
Just one more night with you
I'd risk my life to feel
Your body next to mine
'cause I can't go on
living in the memory of our song
I'd give my all for your love tonight

Baby can you feel me
Imagining I'm looking in your eyes
I can see you clearly
Vividly emblazoned in my mind
And yet you're so far
Like a distant star
I'm wishing on tonight

I'd give my all to have
Just one more night with you
I'd risk my life to feel
Your body next to mine
'cause I can't go on
living in the memory of our song
I'd give my all for your love tonight

for your love tonight

Just one more night

Just one more night

ohhh

Just one more night (to feel)

Just one more night (your body next to mine cause i
can't)

Just one more night (go go go on)

Just one more night (to feel)

Just one more night (I give my all for your love)

Just one more night (tonight)

I'd give my all to have
Just one more night with you
I'd risk my life to feel
Your body next to mine
'Cause I can't go on
Living in the memory of our song
I'd give my all for your love tonight
I'd give my all for your love tonight

I'd give my all to have
Just one more night with you

I'd risk my life to feel
Your body next to mine

Cause I can't go on
Living in the memory of our song

I'd give my all for your love tonight
