You know my name,
You Know my game,
You know my face,
But you don't know me.

My heart is here,
Your heart is there,
They're so near,
But you don't love me...

Coro
What a shame, What a shame,
What a shame, What a shame,

You know my name,
You Know my game,
You know my face,
But you don't know me.

My heart is here,
Your heart is there,
They're so near,
But you don't love me...
No, no, no.

Coro
What a shame, What a shame,
What a shame, What a shame,
