Down, down, down, down, down
What, what, what, what?
Down, down, down, down, down

I wanna know why it always hurts inside
When you lose the one the one you love so much it
make you cry?
And this time I am the reason
Cause my thoughts get in the way
Of what Iâ€™m feeling for you?

Iâ€™m sorry, this isnâ€™t easy!
Iâ€™m sorry, can you believe me?
I hate that I canâ€™t love
Afraid of what it means
If we would end up fall in love
I hate I ainâ€™t got what you need
I hate that I canâ€™t love
Afraid of what it means to free
But end up fall in love!
I hate that I canâ€™t touch you anymore
Donâ€™t come too close, Iâ€™ll push you away
As I can, as I can never love you
Why should you stay?
You make me, you make me feel
That we should end this some way
Donâ€™t wanna, donâ€™t wanna punish you
But what can I say?
What, what, what can I say?

I, I, I wonder why you let me bring you down
I said some things I didnâ€™t mean and kicked you on
the ground
How could I be the reason for you leaving
This is not how itâ€™s supposed to be?

Iâ€™m sorry, this isnâ€™t easy!
Iâ€™m sorry, can you believe me?
I hate that I canâ€™t love
Afraid of what it means
If we would end up fall in love

I hate I ain't got what you need
I hate that I can't love
Afraid of what it means to free
But end up fall in love!
I hate that I can't touch you anymore
Don't come too close, I'll push you away
As I can, as I can never love you
Why should you stay?
You make me, you make me feel
That we should end this some way
Don't wanna, don't wanna punish you
But what can I say?
What, what, what can I say?
What can I say? What can I say?
So what can I say?
