All the meaninglessness means so much.  
Show me how to travel like light white light stuff.

I see, all around me, in the newspaper I read, in the serif and sans-serif fonts on my screen, people all busy themselves idling. Yeah.

Leave, leave your small room, leave everything you like, make tracks like Spirographs in the night, ride out to a new island and then scream. Yeah.

And Love, love can vanish in unique New York, where no-one knows you're sleeping poorly, everybody over-worked, yeah we're all exhausted, underslept, delirious together. Bay-beh!

All the meaninglessness means so much.  
Just show me how to travel like light white light stuff.  
All the meaninglessness means so much.  
All this meaning, all this meaning: meaningless, meaninglessness.

All the meaninglessness means so much.  
Just show me how to travel like light white light stuff.

The alarm goes off, it's the radio!  
Oh the markets, oh the hurricane.  
The alarm goes off, it's Soterios Johnson!  
All the money's fake, all the banks are lost, wake up, wake up, wake up!

All the meaninglessness means so much,  
Show me how to travel like light white light stuff.

Like light white light stuff like light white light stuff like light white light stuff like light stuff like light white light stuff like light white light stuff that light white light

The alarm goes off, it's the radio!  
Lights are bright, I'm up and I'm gone.  
The alarms go off, it's Soterios Johnson!  
All the money's fake, yeah your banks are lost, the

alarms go off, the alarms go off
