"Blow The System"

Visit "[Blow The System](#)" on MotoLyrics.com

Play or not play it to me
Jump the beat, make it hard to know me
Don't waste my time, you lose me
Let's go!

Come close to be on a journey
On the mainlight streets you know me
It's about that time to show me

I just want what's mine
Make me come alive
Let's go for a ride...

You know the time is right
Let's take the morning flight
Let's reach for the sky...

Higher, higher, higher
Higher, higher, higher, higher...
Louder!

I got the burning fever
And the dance floor when I need that
Turn it up and bump the speaker
The volume's way too low

Just keep up, put my rhythm
Let you just blow the system
B-bl-blow the system
Come on now, here we go! (Go, go...)

Shh! Quit talking to me
I'm a boss, gotta rush it to me
Make the bass line blowing through me
(Blowing through me, blowing through me)

Come close to be on a journey
On the mainlight streets you know me
It's about that time to show me
(Time to show me, time to show me...) Haha

I just want what's mine

Make me come alive
Let's go for a ride...

You know the time is right
Let's take the morning flight
Let's reach for the sky...

Higher, higher, higher, higher,
Higher, higher, higher, higher,
Higher, higher (woo), higher, higher,
Higher, higher, higher...
Louder!

I got the burning fever
And the dance floor when I need that
Turn it up and bump the speaker
The volume's way too low

Just keep up, put my rhythm
Let you just blow the system
B-bl-bl-blow the system (come on)
Come on now, here we go! (Go, go...)

Oh, oh, oh-eh-oooh
Ooooh, oh...
Oh, oh, oh-eh-oooh
Ooooh, oh...
Oh, oh, oh-eh-oooh
Ooooh, oh...
Oh, oh, oh-eh-oooh
Ooooh, oh...

Ah! (Go, go, go...)
Let's go!

Go the pressure!
Let's take the house down!
Turn the sound on, ah
Get the dice, and roll 'em out!

And when you had enough
Make it louder!
Louder, louder, louder, louder...

Louder, louder, louder, louder,
Louder, louder, louder, louder,
Louder, louder, louder, louder,
Louder, louder, loud-...
Hahah... no!

I got the burning fever

And the dance floor when I need that
Turn it up and bump the speaker
The volume's way too low

Just keep up, put my rhythm
Let you just blow the system
B-bl-bl-blow the system (what?)
Come on now, here we go!

Oh, oh, oh-eh-oooh (woo)
Ooooh, oh...
Oh, oh, oh-eh-oooh
Ooooh, oh...
Oh, oh, oh-eh-oooh
Ooooh, oh...
Oh, oh, oh-eh-oooh (woo)
Ooooh, oh...

Ah!
