A dream like this not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something you dance for

This is something you dance for

There's a moment when you look to decide
Who will fall, who will survive
That's the moment when you find it inside
On the line, this is your time
And it's all i want, And it's all i do

A dream like this not something you wish for
A dream like this not something you ask for
When it's a gift worth taking a chance for
Then this is something to dance for

This is something you dance for

Be be be my bff
'Cause IDK what's comin' next
And I'll be LMHO with the rest
So TTYLXOX

Show up in the same dress
We don't know who wore it
Best not make a big deal
Act, like, it's a new trend

Look good when we go 'round
Here try on these boots ,i found
This boy who said you're sweet
He's got a best friend

Be be be my bff
'Cause IDK what's comin' next
And I'll be LMHO with the rest
So TTYLXOX

XOXO

A dream like this not something you wish for[be be be my bff cause IDK what's
comin next]

A dream like this not something you ask for[and i'll be LMHO with the rest so
TTYLXOX]

When it's a gift worth taking a chance for[be be be my bff cause IDK what's
coming next]
Then this is something to dance for[and ??'ll be LMHO with the rest so TTYLXOX]
