Everyone knows that you've got a name,
think you're mista' big step,
boy no you can't scare me.
So bully pick on me - (come on and try)
How nothing lets go.

And girls you know, if I let you touch
you'll be falling down just like a domino,
(uhuh-oh-oh) like a TKO, let's go!

Shut your mouth, only got
'till the sun comes up,
then we're done, hurry up,
baby, kiss kiss me bang bang.
A little boom boom, baby,
it's a full moon I can chew you up,
spit you up. baby,
Kiss kiss me, bang bang.

(yeah-eh-eh-eh, yeah-eh-eh-eh, yeah.) kiss kiss me
bang bang. (2x)

Let's see whatchu' got now i'm ready to wrestle,
I'll pick you apart, ba-by, like you were legos.
So catch your love, 'cuz you're in for a ride. (ride)
How nothing let's go.

and girls you know, if I let you touch
you'll be falling down just like a domino,
(uhuh-oh-oh) like a TKO, let's go!

Shut your mouth, only got

All my girls, chew 'em up, spit 'em up after tonight, say,
"Wham! Bam! Thank you mam, Wham! Bam! Thank
you mam." (2x)

Shut your mouth, only got
'till the sun comes up,
