Walk right up to him  
Give him a great big kiss.  
MUAH  
Oh oh oh oh oh. Oh (x4)

You wait three days till you call my number  
And you take a week to ask me out.  
Let the game be a mystery,  
And we wait two weeks to hit the town.  
Then, I pretend like I don't want you back so,  
You'll come running after me...  
I'll play it cool and turn down your offer  
So your burning at the center of the sea

Baby won't you come to my house sir.  
Baby won't you come to my house sir.  
Baby won't you come to my house?  
This ain't a game of cat and mouse.  
Oh oh oh oh oh. Oh. (x4)

You're too scared to walk in the city,  
With the same woman on your arm.  
You're too shallow cuz you think of something better  
Leave your options open for more.  
I don't want a four karat commitment,  
Only conversation to connect.  
I don't even wanna meet your momma,  
Or leave a toothbrush in your stash.

Baby won't you come to my house sir.  
Baby won't you come to my house sir.  
Baby won't you come to my house?  
This ain't a game of cat and mouse.  
Oh oh oh oh oh. Oh. (x4)

I ain't living in a fairytale,  
And I know you're not a charming prince.  
Are you thinking your gonna sweep me off my feet  
And happily forever we'll live?  
Cuz it's all about the here and now so lets get what we  
can.  
I just want you for the night and you'll never ever be my

man.

Baby won't you come to my house sir.  
Baby won't you come to my house sir.  
Baby won't you come to my house?  
This ain't a game of cat and mouse. (mat and mouse)  
Oh oh oh oh oh. Oh. (x4)

Won't you come to my house?  
We can go 'round and 'round.  
Won't you come to my house?  
We can go, we can go  
Heyyy yay eh  
Heyy yay eh  
Heyyay eh hey yay yeahhh

Here comes my guy,  
Walking down the street.
