Ben Howard
"Diamonds"

All I am is the bones you made for me
So garishly clean
White as the horses that carry me away
And all my demons, you said, come and go with the
days
A mind's will to play
I grow old in my ways.
Oh just like you do.

Oh there ain't no diamonds in the bottom
Oh there ain't no darkness that I fear
Oh there ain't no way to say I love you more
So be clear, just to be clear
So be clear, be clear.

All I am is the bones you made for me
Just driftwood for the sea
Oh heavy as the horses, that carry me away.
Oh that carry me away.

Oh there ain't no diamonds in the bottom
No there ain't no darkness that I fear
Oh there ain't no way to say I love you more
So be clear, be clear

Oh there ain't no diamonds in the bottom
Oh oh oh no darkness that I fear
Oh oh oh no way to say I love you more
So be clear, just to be clear
So be clear, be clear.

Oh oh oh now, Oh oh oh now
Oh oh oh now, Oh oh oh oh
Oh oh oh now, Oh oh oh now
Oh oh oh oh oh

Oh there ain't no diamonds in the bottom
No there ain't no darkness that I fear
Oh there ain't no way to say I love you more
So be clear, be clear.
