Ooh oh oh oh ooh oh oh oh
Ooh oh oh oh ooh oh oh oh
Ooh oh oh oh ooh oh oh oh
Ooh oh oh oh ooh oh oh oh

Falling from high places
Falling through low spaces
Now that we're lonely
Now that there's nowhere to go

Watching from both sides
These clock towers burning up
I lost my time here oh
I lost my patience with it all

We lost faith in the arms of love

Oh where you been hiding lately
Where you been from the news
(Oh hiding lately, hiding from the news)
Cause we've been fighting lately
Oh we've been fighting with the wolves
(Oh fighting lately, fighting with the wolves)
Ooh with the wolves
Ooh with the wolves

Red tongues and hands

Oh Falling from high places
Falling through low spaces
Now that we're lonely
Now that we're so far from home

Watching from both sides
These towers been tumbling down
I've lost my mind here oh
I've lost my patience with the Lord
Oh with the Lord

We lost faith in the arms of love
Oh love love love

Oh where you been hiding lately
Where you been from the news
(Oh hiding lately, hiding from the news)
Cause we've been fighting lately
Oh we've been fighting with the wolves
(Oh fighting lately, fighting with the wolves)
Ooh with the wolves
(Ooh oh oh oh ooh oh oh oh)
Ooh with the wolves
(Ooh oh oh oh ooh oh oh oh)

Red tongues and hands
Red tongues and hands

Ooh oh oh oh ooh oh oh oh
Ooh oh oh oh ooh oh oh oh
Ooh oh oh oh ooh oh oh oh
Ooh oh oh oh ooh oh oh oh

We lost faith in the arms of love
