I don't need nobody,
Oh I, I don't need nobody
Oh I don't need nobody to be alone,
To be alone.
To be alone.

And in the dark there's a shallow voice
And it hears all.
I bite my tongue, there's a fever,
I will not let it go.

I don't need nobody,
Oh I, I don't need nobody
Oh I don't need nobody to be alone,
To be alone.
To be alone.

And in the dark there's a shallow voice
And it hears all.
I bite my tongue, there's a fever,
I will not let it show.

In the dark there's a shallow voice
And it hears all.
I bite my tongue, there's a fever,
I will not let it show.

I don't need nobody,
Oh I, I don't need nobody
Oh I don't need nobody to be alone,
To be alone.
To be alone.
