Maybe I could have changed your mind;
Maybe you could thought about someone else,
Rather than yourself, oh anybody but yourself.

And I know you felt lonely;
Yeah I know people try to get you down
And all around those laughing faces,
Single you out in the crowd
Oh single you out in the crowd

I tried so hard, to help you understand;
To put some hope into your hands
And all the time, you cried and said to me
"Why can't everything be right?"
Each time I have to put up a fight
And the world keeps on winning,
Oh yeah the world keeps on winning

Wouldn't be a lie if I said I was missing you tonight,
Wouldn't be a lie if I said I was missing you,
Wouldn't be a lie if I said I was missing you tonight,
night,
Wouldn't be a lie if I said I was missing you, missing
you, missing you

Never thought that you, that you wouldn't be here;
Never thought that I would see these tears fall
And all these lonely times I'm feeling without you,
Knowing I don't have you through it all,
Knowing I don't have you through it all

No it wouldn't be a lie if I said I was missing you
tonight,
Wouldn't be a lie if I said I was missing you,
Wouldn't be a lie if I said I was missing you tonight,
night,
Wouldn't be a lie if I said I was missing you at all,
Wouldn't be a lie if I said I was missing you tonight,
night,
Wouldn't be a lie if I said I was missing you,
Oh wouldn't be a lie if I said I was missing you tonight,

Wouldn't be a lie if I said I was missing you, missing
you, missing you,
Missing you, missing you
