(Ft. Big K.R.I.T. & Killa Kyleon)

Chorus:

I do this for a living, I'm causing the spinning,  
From start to the finish, I do it just to win it!  
I do this for the hood, I do this for the homies,  
I do this for the bitches, I do it so you know me!  
I do this for a living, the glaze in the,  
I do this for the clear sky stars in the night,  
I do this for the dough boys ,  
I do this for the ones that are never coming back!  
I do this for a living!

When I die, hope I'm forgiven,  
Cause in these streets we're living,  
It's either death or prison.  
I never take a day off,  
We begin way off,  
I'll just stay hustle and I never had ,  
When that plane take off, we'd be shipping day off.  
Never been a middle man, always been a straight  
boss,  
, so I'll be watching who I hang with,  
Big me, Larry Hoover, I'll be on that same scene.  
.. kick back and watch the game flip,  
Breaking bread with the same clique that I came with.  
The only thing on my mind, don't make it kill it!  
I came out broke, nothing was given!

Chorus:

I do this for a living, I'm causing the spinning,  
From start to the finish, I do it just to win it!  
I do this for the hood, I do this for the homies,  
I do this for the bitches, I do it so you know me!  
I do this for a living, the glaze in the,  
I do this for the clear sky stars in the night,  
I do this for the dough boys ,  
I do this for the ones that are never coming back!  
I do this for a living!

We're living it, and no label gives me advances,

All I got is my .. taking penitentiary chances,  
While you're rapping right,  
I was in that hood rapping,  
No more, I ain't rapping,  
I'm gonna tell my kids that ain't no food in that icebox,  
But I got plenty green, purple.. in the ..  
That they can't get no shoes when the new age is  
coming,  
And I'm gonna give my, who say, money runner.  
So I go I get that bread dough,  
Run out make my salary,  
Right there on the purple  
He lost the weight like it's some calories  
It's allergic to no money so I ,

Chorus:

I do this for a living, I'm causing the spinning,  
From start to the finish, I do it just to win it!  
I do this for the hood, I do this for the homies,  
I do this for the bitches, I do it so you know me!  
I do this for a living, the glaze in the,  
I do this for the clear sky stars in the night,  
I do this for the dough boys ,  
I do this for the ones that are never coming back!  
I do this for a living!

I hustle independent if the rappers don't sell,  
I'm a , of the pimping, still moving piece,  
Ship on to the deep South, this what the street is about,  
.. in case I get cracked, gotta keep a honey stash,  
It comes quick, but still we're blowing money fast.  
I turn the dream into an everyday lifestyle,  
Tomorrow .. I gotta give it right now!  
Looking through my rear view,  
Watching the clock , got my bitch with me watching for  
cops.  
On a mission trying to get a million,  
I swear to God ain't no way I can't describe the feeling,

Chorus:

I do this for a living, I'm causing the spinning,  
From start to the finish, I do it just to win it!  
I do this for the hood, I do this for the homies,  
I do this for the bitches, I do it so you know me!  
I do this for a living, the glaze in the,  
I do this for the clear sky stars in the night,  
I do this for the dough boys ,  
I do this for the ones that are never coming back!  
I do this for a living!
