LOVESICK

You almost got me over a bad time
It almost took me out
You made it all so easy
Reminded me of what it's all about

You seen me at my worst
A better me would've chosen you first
I'm circling around
But I gotta let you down now

Should've never given up to you
But baby this time you made me better
Still my heart is beating black and blue
And it's funny how you tried to stitch me up
Cause I'm lovesick, lovesick
Sick of love
Lovesick, lovesick
Sick of love

Thanks for the good times
And for everything you tried to be
There's nothing that your missing
Guess your not messed up enough for me

You gave me honesty
But lately that don't do it for me
I'm circling around
But I gotta let you down now

Should've never given up to you
But baby this time you made me better
Still my heart is beating black and blue
And it's funny how you tried to stitch me up
Cause I'm lovesick, lovesick
Sick of love
Lovesick, lovesick
Sick of love

Your tried to nurse me back to health

Did everything you could do
He's the worst thing that ever happened
But I still think of him when I'm with you

Should've never given up to you
But baby this time you made me better
Still my heart is beating black and blue
And it's funny how you tried to stitch me up
Cause I'm lovesick, lovesick
Sick of love
Lovesick, lovesick
Whoa
Lovesick, I'm lovesick
I'm sick of love
Lovesick, lovesick
Sick of love
