Mexico, Tijuana baby
Wild is the law and the customs lady
I was locked up 'n'stripped down
I guess she musta liked what she seen

Unprotected, unlubricated
Strong were the hands on the customs lady
Pleasure to pain can be a very fine line
Indeed... yeah

She said "Your ass is all mine"
She said "Your lips are so sweet"
I think she said the same line
To every prison bitch she meet

I laid it down on the woman yeah yeah
I went to town on the woman yeah yeah
Pound for pound with the woman yeah yeah oh yeah

She was a brown little woman yeah yeah
A little caramel woman yeah yeah
I laid it down on the woman yeah yeah oh yeah

Mexico, Tijuana baby
Declared my heart to the customs lady
I'll never find another
I don't know if she remembers me

Abuse of authority
I don't mind
The nearest thing to true love
I would ever find

I laid it down on the woman yeah yeah
I went to town on the woman yeah yeah
Pound for pound with the woman yeah yeah oh yeah

She was a brown little woman yeah yeah
A little caramel woman yeah yeah
I laid it down on the woman yeah yeah oh yeah

Inappropriate touching

Inappropriate touching
Inappropriate touching yeah
Inappropriate touching
Inappropriate touching
Inappropriate touching yeah, yea-ah

I laid it down on the woman yeah yeah
I went to town on the woman yeah yeah
Pound for pound with the woman yeah yeah oh yeah

She was a brown little woman yeah yeah
A little caramel woman yeah yeah
I laid it down on the woman yeah yeah oh yeah
