See him there, man child hair, creepy guy stare.
He like to think about little girly underwear,
With a creepy guy stare.

Youâ€™re standing at the station
You feel the visual penetration
Undress ya, caress ya, sex ya, sex ya, sex ya
Creepy guy stare

Got that walk, man child hair, creepy guy stare.
He wear a comb in his sock, he wear a calculator watch,
He wear a creepy guy stare.

Youâ€™re standing at the station
You feel the visual penetration
Undress ya, caress ya, sex ya, sex ya, sex ya
Creepy guy stare

Check out the man/child hair,
Lookin like a serial killer.
Check out the man/child hair,
Lookin like pedophilia.
Check out the creepy guy stare,
Heâ€™s just lookin at ya.

Man/child hair
Man/child hair
Man, child, hair

Check out the man/child hair,
Lookin like a serial killer.
Check out the man/child hair,
Lookin like pedophilia.
Check out the creepy guy stare,
Heâ€™s just lookin at ya.

Check out the man child hair
Check out the man child hair
Check out the creepy guy stare
