Hey girl

Love is not a game for me

Can't you see
Baby you're the one for me
'Cause you don't know my heart
Can't you feel
Baby you're my destiny
'Cause you don't know my love
If I'll give you everything
There's a place for me and you
Oh babe we're more, more than two
Oh darling...

[Chorus]

Stay with me
I'll promise all my heart to you
Oh darling, can't you see
What a real love can do?
Oh baby, baby
Stay with me
And maybe it's forever girl
Just close your eyes for me
I'll show you a better world

I miss you so
Baby give me one more try
'Cause you are the love of my life
Can't let you go
Baby I believe I fly
'Cause our love will survive
You're like a kiss from a rose
There's a way for us to go
And our love will grow
Oh darling...

[Chorus]

Stay with me
I'll promise all my heart to you

Oh darling, can't you see
What a real love can do?
Oh baby, baby
Stay with me
And maybe it's forever girl
Just close your eyes for me
I'll show you a better world

Baby, love is not a game for me
Oh can't you see, you're in my heart
Baby...

[Chorus 2x]
