Sit yourself down son are you not courting yet?
A glance back to envy him and an answer he wouldn't
forget
This is what i'ts like now, please grandad don't be
ashamed
Cause I'm not the same as them, I'm not into this trend
The story's of how lust and romance were once told
and how it used to be
But I can't keep up with the pages that are turning, I
can't see it happening

He said love is a fast song, he said it's exiting
But when your barely holding on, the record you play
just keeps skipping
You'll want to set new tracks and move on, but when
your barely holdidng on
You know your holding on

The story's of how lust and romance were once told
And how it used to be as beautiful as cellar door

The taste was so clean yet so pure and raw
If only we could turn back time enough to see
How lucky we could of been, it should have been

When things used to be as beautiful as cellar door
The taste was so clean yet so pure and raw
If only we could turn back time enough to see
How lucky we could of been, it should have been

If only we could turn back time enough to see
How lucky we could of been, it should have been
