Help me escape this feeling of insecurity.  
I need you so much, but I don't think you really need  
me.  
But if we all stand up for what we believe,  
And state the case the...  
The world would be wild for the dream.  
But like a thief in the night you kiss away the love that I  
knew.  
Relight my fire,  
Your love is my only desire.  
Relight my fire,  
'Cos I need your love.  
Turn back the times till the days when our love was  
new.  
(Do you remember?)  
No matter what was happening I was there with you.  
But if we all stand up for what we believe,  
And maybe live within our possibilities,  
The world would be wild for the dream.  
But liked don't turn away,  
Listen to what I got to say.  
Relight my fire,  
Your love is my only desire.  
Relight my fire, 'cos I need your love.  
Relight my fire,  
Your love is my only desire.  
Relight my fire, 'cos I need oh I need your love.  
Relight my fire!
