Ooh baby
When I look into your eyes feels good to me
And it feels like paradise like fantasy
Baby you're my angel, my guardian angel
Oh memories
I feel it in my heart I feel it in my soul
We'll never ever fall apart don't let me go
Baby you're my angel and you know that time will show
Take me tonight
Anything is possible
Time's on my side
The world is beautiful
I'll take my chance
My dreams are coming true
Tell me you're mine
Oh babe don't make me blue
And I know for sure ooh
I will never let you go
Oh baby
If we can't be lovers let me be your friend
Take me in your lonely arms, don't let it end
Baby you're my angel, my guardian angel

I'll be there
If you ever miss me darling I'll take care
You're always in my heart oh baby I swear
Baby you're my angel,
Oh if you need me I'll be there
Take me tonight
Anything is possible
Time's on my side
The world is beautiful
I'll take my chance
My dreams are coming true
Tell me you're mine
Oh babe don't make me blue
And I know for sure ooh
I will never let you go
Take me tonight
Anything is possible
Time's on my side
The world is beautiful

I'll take my chance
My dreams are coming true
Tell me you're mine
Oh babe don't make me blue
And I know for sure ooh
I will never let you go
