Album: Take your Chance (2003)

Love needs no reason love keeps your heart so strong  
(oh my love) Love needs no reason without love you  
can't go wrong (oh my love) I wish you were here  
tonight by my side oh don't cry a tear, my love never  
dies

Refrain:

We had it all - we lived a dream how can we fall - oh  
where we've been

We had it all - dreams never lie

Life is too short - we have to try

Time loves the hero who will be there when your gone  
(oh my love) we started from zero I lived a thousands  
lives in one (oh my love) Oh I'll give it all to be here  
tonight catch me when I fall and stay by me side
