You can't quit until you try

You can't live until you die

You can't learn to tell the truth until you learn to lie

You can't breathe until you choke

You gotta laugh when you're the joke? It's nothing like a funeral to make you feel alive

Just open your eyes

Just open your eyes

And see that life is beautiful

Will you swear on your life that no one will cry at my funeral

I know some things that you don't? I've done things that you won't

It's nothing like a trail of blood to find your way back home

I was waiting for my hearse

What came next was so much worse

It took a funeral to make me feel alive

Just open your eyes

Just open your eyes

And see that life is beautiful

Will you swear on your life that no one will cry at my funeral

Alive

Just open your eyes

Just open your eyes

And see that life is beautiful

Will you swear on your life that no one will cry at my
funeral

Just open your eyes

Just open your eyes

And see that life is beautiful

Will you swear on your life that no one will cry at my
funeral
