You can't quit until you try
You can't live until you die
You can't learn to tell the truth until you learn to lie
You can't breathe until you choke
You gotta laugh when you're the joke? It's nothing like a
funeral to make you feel alive

Just open your eyes
Just open your eyes
And see that life is beautiful
Will you swear on your life that no one will cry at my
funeral

I know some things that you don't? I've done things that
you won't
It's nothing like a trail of blood to find your way back
home
I was waiting for my hearse
What came next was so much worse
It took a funeral to make me feel alive

Just open your eyes
Just open your eyes
And see that life is beautiful
Will you swear on your life that no one will cry at my
funeral

Alive
Just open your eyes
Just open your eyes
And see that life is beautiful
Will you swear on your life that no one will cry at my
funeral

Just open your eyes
Just open your eyes
And see that life is beautiful
Will you swear on your life that no one will cry at my
funeral
