Counting all different ideas driftin'away
Past and present don't matter
not if you just sort it out
Watch you moving in elliptical pattern
Think it's not what you say,
what you say is way to complicated
For a minute thought
I couldn't tell how to fall out

It's 20 seconds til the last call
Going hey hey hey hey hey hey
By now you know it's easy
like we did it all summer long
And I'll be anything you ask and more
Going hey hey hey hey hey hey
It's not a miracle we needed
And no, I wouldn't let you think so
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it

Girlfriend, oh you're girlfriends drifting away
Past and present, 1855 1901
Watch them build up a material tower
Think it's not gonna stay, anyway I think it's overrated
For a minute felt
I couldn't tell how to fall out

It's 20 seconds til the last call
Going hey hey hey hey hey hey
Lie down, you know it's easy
like we did it all summer long
And I'll be anything you ask and more
Going hey hey hey hey hey hey
It's not a miracle we needed
And no, I wouldn't let you think so
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it

instrumental

Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it

Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
