The rain falls, to the ground  
So much harder when you're not around  
'Cause my love for you  
Is so strong  
But is yours really true?  
You said you loved me  
But my heart still says we're through  
I'm feeling sorrow  
But there's nothing I can do  
You can do what you want, baby  
'Cause I am leaving you  
You can do what you want, baby  
'Cause I am leaving you  
You can do what you want, baby  
'Cause I am leaving you  
Leaving you  
For someone who will love me true  
You don't love me  
But you won't let us be apart  
It's because you know  
It will break my heart  
But all the while  
You're still unhappy  
So desperate to be free  
And because I love you, baby  
I have to let you be  
So be free  
I'll let you go  
I only said these things because I love you so  
So, be free  
I'll let you go  
I know that when you're gone  
I'm gonna miss you so  
The rain falls to the ground  
So much harder now you're not around
