smeared black ink
your face is ashen
and i am barely listening
to last demands
I'm staring at the asphalt wondering whats buried
underneath

(chorus)
where i am (x2)

i wear my badge
a vinyl sticker with big block letters
adherent to my chest
tells, your new friends
i am a visitor here, i am not permanent
and the only thing
keeping me dry is

(chorus)
where i am (x3)

DC sleep alone tonight
DC sleeps alone tonight

Where i am
where i am
where i am

The district sleeps alone tonight
after the bars turn out their light
and leave the atous swerving
into the lonliest evening
and i am finally seeing
why i was the one worth leaving (x4)
