Almost heavenly  
Almost like a dream  
Almost lovely  
Nearly like a queen  
Almost innocent  
Almost too polite  
Almost heaven sent  
Nearly always right

But I'm real, real enough  
Yes I'm real, real & tough

Everybody wants to be just a little bit like me  
Everybody wants to be just a little bit like me  
Everybody wants to be just a little bit like me  
Everybody wants to be just a little bit like me

Almost like an angel  
Almost fresh & new  
Almost sweet & fragile  
Nearly high IQ  
Almost someone special  
Almost beautiful  
Almost like a treasure  
Nearly finished school

But I? real, real enough  
Yes I? real, real & tough

Everybody wants to be just a little bit like me  
Everybody wants to be just a little bit like me  
Everybody wants to be just a little bit like me  
Everybody wants to be just a little bit like me
