I am the King. I am the King. I am the King.

One dead marine through the hatch  
Scratch and scrape this heavenly body  
Every inch of winning skin  
There's junk in honey's sack again

Honey Honey Honey Honey Honey  
Come on and kiss me-e-e-e-e  
Honey Honey Honey Honey Honey  
Honey-child's takin' over this place

Two dead marines standing in a line  
Drink to me! this heavenly body  
Every inch of winning thing

Honey Honey Honey Honey Honey  
Come on and kiss me-e-e-e-e  
Honey Honey Honey Honey Honey  
Honey-shild's takin' over this place

Hack hack hack hack this heavenly  
Yack yack yack yack yack goes junk-face  
Scratch scrape scratch this winning skin  
There's junk in Honey's sack again  
There's junk in Honey's sack again  
There's junk in Honey's sack again  
Junk in honey junk in honey  
Junkyard King Junkyard King  
King King King King King
