God knows what is hiding in those weak and drunken  
hearts  
guess he kissed the girls and made them cry  
those Hardfaced Queens of misadventure  
God knows what is hiding in those weak and sunken  
lives  
Fiery throne of muted angels  
Giving love but getting nothing back oh

People help the people  
And if you're homesick, give me your hand and i'll hold  
it  
People help the people  
And nothing will drag you down  
Oh and if I had a brain, Oh and if I had a brain  
I'd be cold as a stone and rich as the fool  
That turned, all those good hearts away

God knows what is hiding, in that world of little  
consequence  
Behind the tears, inside the lies  
A thousand slowly dying sunsets  
God knows what is hiding in those weak and drunken  
hearts  
I guess the loneliness came knocking  
No one needs to be alone, oh save me

People help the people  
And if you're homesick, give me your hand and i'll hold  
it  
People help the people  
Nothing will drag you down  
Oh and if I had a brain, Oh and if I had a brain  
I'd be cold as a stone and rich as the fool  
That turned, all those good hearts away

People help the people  
And if you're homesick, give me your hand and i'll hold  
it  
People help the people  
Nothing will drag you down  
Oh and if I had a brain, Oh and if I had a brain

I'd be cold as a stone and rich as the fool  
That turned, all those good hearts away
