You think you look so cool
With yr t-shirt tucked in
Go to a public school
And get yr face punched in
Stop wearing rugby shirts
Nice and fleecy
You stupid looking squirt
Killing you is easy

Ooooooh public schoolboy

You love yr new rucksack
That yr mommy bought you
She took your school shirt back
Cos yr too scared to
Stop wearing those tight jeans
Can you still walk
I hate yr loud voices
And the way you talk

Ooooooh public schoolboy

Public schoolboy die
