Visit "[This Is Fake D.I.Y](#)" on MotoLyrics.com

This is limited edition
On icky-coloured vinyl in a poster pack
This is....
Get more information send the postcard back
This is....
To get the extra songs buy the 2 cd's
This is....
And collector fever is killing me

Raygun, raygun, do you gotta raygun...

This is funded by a major
But shabbily packaged to pretend that it's cool
This is a fake indie label
Release the records you want but yr under our rule
This is limited edition
With a nice little sticker and a personal number
This is limited edition
How they sell it so cheap it's no longer a wonder
