Lies, lies
You're telling me that you'll be true
Lies, lies
That's all I ever get from you
Tears, tears
I'd shed a million tears for you
Tears, tears
And now you're loving somebody new

Someday i'm gonna be happy
I don't know when just now
Lies

You're breaking my heart

You think you're such a smart boy
And I'll believe what you say
Who do you think you are boy
To leave me out this way

Lies, lies
I can't believe a word you say
Lies, lies
I'm gonna make you sad some day

Someday you're gonna be lonely
And you won't find me around
Lies

You're breaking my heart
Lies

Lies

Someday I'm gonna be happy
I don't know when just now
Lies

You're breaking my heart

Lies you're breaking my heart
Lies you're breaking my heart

Lies you're breaking my heart
Lies you're breaking my heart
