Now, when I was a little boy  
At the age of five  
I had somethin' in my pocket  
Keeps a lot of folks alive

Now I'm a man  
Turnin' twenty one  
You know, baby  
We can have a lot of fun

I'm a man  
I spell M-A-N  
Woah, I'm a man

All you pretty women  
Standin' in line  
I can make a love to you, baby  
In an hours time

I'm a man  
I spell M-A-N  
Woah, I'm a man

Goin' back down  
To Kansas town  
To bring back the second cousin  
Little Johnny the Conqueroo

I'm a man  
I spell M-A-N  
Woah, I'm a man

The line I shoot  
Will never miss  
The way I make love to 'em  
They can't resist

I'm a man  
I spell M-A-N  
Woah, I'm a man

Woah, I'm a man
