Hey, come here next to me,
Come and talk to me,
You see,
I'm the girl in your dreams.

You, are all I'm looking for,
Let's walk down to the shore,
And play, just enjoy a sunny day.

I don't care where you ought to go,
I will follow,
But there's just one thing that you ought to know,
'coz I'm... thinking 'bout you baby all the time,
I've got to get back to where I feel inside,
24/7 you are on my mind,
I'm crazy 'bout your smile.
Don't think you know that you make me weak,
There's something 'bout the way you look at me,
My body is shaking and I can't break free,
I'm crazy 'bout your smile.

Oh, when I look at you,
There's nothing I can do, Oh no,
I just seem to lose control,
Hey, it's all that's in your eyes,
You've got me hypnotised,
All right,
I've got to give it up this time,

...

I don't care where you ought to go I will follow,
But there's just one thing that you ought to know,
Coz I'm... thinking 'bout you baby all the time,
I've got to get back to where I feel inside,
24/7 you are on my mind,
I'm crazy 'bout your smile,
There's something 'bout the way you look at me,
My body is shaking and I can't break free,
I'm crazy 'bout your smile.

I don't care where you ought to go I will follow,
But there's just one thing that you ought to know...
Coz I'm thinking 'bout you baby all the time,

I've got to get back to where i feel inside,
24/7 you are on my mind,
I'm crazy bout your smile,
