### VERSE 1

Hey, come here next to me,  
come and talk to me  
you'll see,  
I'm the girl in your dreams.  
You, are all I'm lookin' for,  
let's walk down to the shore  
and play,  
just enjoy a sunny day.

### BRIDGE

I don't care where you wanna go I will follow,  
there's one thing that you oughta know.

### CHORUS

Cause I'm thinking about you baby all the time  
I've gotta give in to what I feel inside,  
24/7 you were on my mind  
I'm crazy bout' your smile.  
Don't know if you know but you make me weak  
There's something about the way you look at me  
My body is shakin' and I can't break free  
I'm crazy about your smile.

### VERSE 2

Oh, when I look at you  
There's nothing I can do  
Oh no,  
I just seem to lose control  
Hey, it's all there in your eyes  
You've got me hypnotized  
Alright, I've gotta give it up this time.
