Mirror, mirror.
Mirror, mirror.

Wish I could know,
Wish I could see,
Wish I had a star to guide me,
Into your arms,
Close to your heart,
Till we're happily ever after.

Chorus 1:
At the stroke of twelve,
Would you run after me?
Am I the girl for you?
Is this love for keeps?
And if I went away,
I'm I the one you'd miss?
Could you wake me with a single kiss?

Chorus 2:
If I had a mirror,
To show me the truth,
To let me see the future,
Will I be with you?
I'm a fairytale believer,
I'm looking for mine,
So if you're not the one don't waste my time.

Cause I need a guy,
To call my own,
Who thinks I'm second to none,
It's gotta be love,
Won't settle for less,
Are you gonna treat me like your princess?

Chorus 1&2

Cause when I fall asleep at night,
I dream a dream of you and I,
You hold me close then hold me tight,
And promise me we're never gonna ever say good bye.

Oh, oh, oh, oh, oh right.
At the stroke of twelve,
Would you run after me?
Am I the girl for you?
Is this love for keeps?
Mirror, mirror,
Mirror, mirror, mirror.
Hold me tight.

Chorus 2
Chorus 2

If I had a mirror,
If I had a mirror,
Wake me with a single kiss,
If I had a mirror,
If I had a mirror,
Don't waste my time.
