Not a single cloud above,
Everyone's so in love,
Man. It's good to be alive!

Smiling faces all I meet,
As I go dancing down the street,
Angles singing by my side.

'Cause you make me happy,
And you make it real.

Baby.
Each time we meet,
Feels so sweet to me,
Mmm, it's heavenly

Each little glance,
When you dance with me,
Yeah it's heavenly.

Hello world I'm back again,
Try to catch me if you can,
Angles teaching me to fly (sky high)

Wanna take a ride with me?
Make the stars our destiny,
We'll see magic in the night.

'Cause you make me happy,
And you make it real,
Yeah you've got that special feel.

Baby.
Each time we meet,
Feels so sweet to me,
Mmm, it's heavenly

Each little glance,
When you dance with me,
Yeah it's heavenly.

-Rap Start-

So here I stand and I'm-a-thinking to myself,
In my world you rock like no-one else,
I wanna d-d-d-dance forever you see,
So won't you share a little groove with me, come on.

Give it to me,
Give it to me,
Give it to me now.

Can't you see,
Can't you see,
Can't you see now.

I wish tonight wouldn't end so soon.
'Cause when you say my name,
My heart goes boom-boom-boom

-Rap End-

Baby.
Each time we meet,
Feels so sweet to me,
Mmm, it's heavenly

Each little glance,
When you dance with me,
Yeah it's heavenly.
