now im the king of the swiners zone
the jungle VIP
ive reched the top and had to stop
and thats whats botherin me
i wanna be a girl of mancub
and stroll rihgt into town
and be just like the other girls
im tired of monkeyin around

oh, oobee doo
iwanna be like you
i wanna walk like you
talk like you, too
you'll see its true
an ape like me
can learn to be human too

now dont try to kid me, mancub
imade a deal with you
what i desire is girls red fire
to make my dream come true
now give me the secret mancub
come on give me what to do
give me the power of mans red fire
so i can be like you

oh, oobee doo
i wanna be like you
i wanna walk like you
talk like you, too
you'll see its true
an ape like me
can learn to be human too

lets go
step to the left
step to the right
give me the power of mans red flower

oh, oobee doo
i wanna be like you
i wanna talk like you

walk like you, too
you'll see its true
someone like me
can learn to be
someone like me
can learn to be
someone like you
can learn to be
someone like me!!!
