Oh, yeah  
Oh, yeah, ha, ooh, yeah, ah, huh, yeah  
Why don't you dance with me, baby?

Clock strikes upon the hour  
And the sun begins to fade  
Still enough time to figure out  
How to chase my blues away

I've done alright up till now  
It's the light of the day that shows me how  
And when the night falls  
My loneliness calls

Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody  
With somebody who love me

I've been in love and lost my senses  
Spinning through the town  
Sooner or later the fever ends  
And i wind up feeling down

I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls  
My lonely heart calls

Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody  
With somebody who love me

(Somebody who, somebody who)  
Somebody who loves me  
(Somebody who, somebody who)  
To hold me in his arms

I need a man who'll take a chance  
For a love that burns hot enough to last  
So when the night falls

My lonely heart calls

Oh, I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah, I wanna dance with somebody  
With somebody who love me

Don't you wanna dance with me, baby?  
Don't you wanna dance with me, boy?  
Hey, don't you wanna dance with me, baby?  
With somebody who loves me
