Baby
I knew at once
The way you looked at me
I think you know what I feel for you
Tell me
I'm all you need
'Cause when you're next to me
I wanna give it all to you
Bridge:
The way you look into my eyes
And every time you smile
Chorus:
Anything you do I like
Everything with you I like
You know how to do it right
And you make me feel so... Yeah, yeah, yeah
Chorus
Baby
It's you and me
I know we were meant to be
'Cause you are there just when I needed you
Baby
You set me free
And all you do for me
I wanna spend my time with you
Bridge
Chorus
