Anytime i need company i just pick up the phone
Anytime i want a little peace i'm just fine on my own
If i wanna go out at night i really have a ball
It's gonna be me makes that desicion it's my call

Bridge

Wake up, all my girls sing with me now (sing)
Stand up, come along put your feet down (dance)
Wake up, wanna hear every girl in the world say the
word now; positivity

WAKE UP EVERY SISTER AROUND, POSITIVITY
WAKE UP EVERY GIRL IN THIS TOWN, POSITIVITY
LISTEN TO THE NEW FUNKY SOUND, POSITIVITY
COME SAY THE WORD NOW,POSITIVITY
