I want something more,
Something more beautiful,
I need something more,
Something more beautiful,

(Chorus)-I, I want something more,
I want something more from you boy,
You want us to be friends,
I'll be losing again,
Don't you know what I want from you, baby,
Something more beautiful.

Oh baby,
You've got me,
You've got me wrapped around you,

Anythin,
You would say,
Would make me go insane 'cause,
I think about us all the time,
I'd love you forever,
If you were mine, oh-oo-o-oh,

(Chorus)-1x

Oh baby,
You know it,
You've got to make your mind up,
Why don't you ,
Just tell me,
What you are waiting for 'cause,
I think about us all the time,
I'd love you forever,
If you were mine, oh-oo-o-oh

(Chorus)-2x

I want us to be more than friends,
My love for you, will never end,
If only you believe,
Baby can't you see,

It's got to be you and me

(Chorus)-3x
