Music by Damien Halloran

Verse 1:

There's a peace in our hearts and a hope in our hands,
We're the family of children; we come from many
different lands.

Our time is just beginning; our race is yet to run,
But if you will take us with you, then we have already
won.

Chorus:

Under the southern skies,
Together in this land,
Every voice in celebration,
A family hand in hand!
Under the southern skies,
As one we rise,
And turn our eyes to see
All the wonder of the future
In a world of harmony.

Verse 2:

There's a great spirit rising from the desert to the sea.
As it sweeps across this southern land it calls to you
and me:

We're the dreamers and the dreaming; we're the face
of things yet to come.

Every child can be a hero if our world can live as one.

Chorus:

Under the southern skies,
Together in this land,
Every voice in celebration,
A family hand in hand!
Under the southern skies,
As one we rise,
And turn our eyes to see
All the wonder of the future
In a world of harmony.
