Finishing 8 or 9?
Tell me it's the perfect time
I told you I would wait to
Hide you from the rainbow

Come to my bedroom
Come to my bedroom
Come to my bedroom
Come to my bedroom

Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe

Come to my bedroom
Come to my bedroom
Come to my bedroom
Come to my bedroom

Yell as all to know
I will never let you go
Dread of my baseball
I will ask to face the snow
Oh Oh

Come to my bedroom
Come to my bedroom
Come to my bedroom
Come to my bedroom

Finishing 8 or 9?
Tell me it's the perfect time
I told you I would wait to
Hide you from the rainbow
Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe
Yell as all to know
I will never let you go
Dread of my baseball

I will ask to face the snow
Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe

Ohh Ohhh Ohh

Finishing 8 or 9?
Tell me it's the perfect time
I told you I would wait to
Hide you from the rainbow
Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe
Yell as all to know
I will never let you go
Dread of my baseball
I will ask to face the snow
Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe

Yell as all to know
I will never let you go
I told you I would wait to
Hide you from the rainbow
Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe
Yell as all to know
I will never let you go
Dread of my baseball
I will ask to face the snow
Tell me what's the joy of
Giving if you're never pleased
Unless strep of
Gets what you believe
